

## **AMENDMENT TO AUGUST NEWSLETTER**

**For Sale** - Radiator core to suit late 1930-34 model. Joe Wilson has the pictured radiator for sale, Core measures for top tank to bottom tank 17 1/2 inches X 12 1/4 inches. This is not the same as the earlier 1928-1930 model. Joe is asking \$600. Core has been replaced by the Honey Comb Radiator Company at Northgate

**3 speed early gearbox** (no speedo drive) Fully rebuilt by Needham in Melbourne, Cost \$2200. Yours for \$1700  
**Joe Wilson** can be contacted on **07 3378 5379**

.....

At bottom of **Page 2** there is an Aerial Photo of our venue for the **STATIC DISPLAY NEXT WEEKEND**. You will see the head of the paragraph says "Aerial photo of the WYNNUM School of Arts", this is wrong, it is in fact the **MORNINGSIDE** School of Arts as mentioned elsewhere. So please drive to Morningside, not Wynnum!! If you are following a Brisbane UBD, it is on detail map 24 grid Q/R1 and on main map 160 R10/11.

On **Page 6** there are details of the **BUNDY BASH TOUR**. Please note, We intend to have a final dinner on the Monday 20th of May, so that is why we suggest you book the Monday night in Bundy as well!!
