

## **Mini Austins Over Australia (AOA). 2022**

**As the AOA in NSW earlier this year has been cancelled, the VAR (Vic) and the AMVC (Qld) are proposing a Mini AOA based in Albury /Wodonga from Wednesday 7<sup>th</sup> September to Sunday 11<sup>th</sup> September 2022. This event is not planned to replace any AOA but more to keep it alive. It would be a risky undertaking to try to arrange an AOA in WA at this time. WA is next in line to conduct the next AOA. The Mini AOA will be organised as a low-key, low-cost event with no Regalia or Entrants Book. There will be an official dinner, a couple of displays, and trips around the Murray River area with self-catering.**

**If you are interested in attending please email John Blythe at [jrb.12@bigpond.com](mailto:jrb.12@bigpond.com) and also CC [kparker@bigpond.net.au](mailto:kparker@bigpond.net.au) so that they know how many members are interested in attending. Mention you are a member of AMVC(Qld) Inc. This will help plan how members might travel together for those interested.**

**This needs to be done before Saturday 5<sup>th</sup> February. Remember, this is only expressing your interest in attending. No commitment.**

**At this stage, it is proposed spending 3 days driving from Brisbane to Albury and the intention is to take Fossickers Way to avoid the Newell Highway as much as possible. More details will follow from AMVC(Qld) on this plan.**

**If some members prefer to travel alone and direct to get there quickly then that is OK.**

**After the Mini AOA you can make your own arrangements to drive home.**
