

Merry Christmas all

I hope you had a lovely Christmas day. The Rally will be here before we know it. I have attached a copy of our latest newsletter.

If you are planning on joining us for the Rally it is now time to complete your registration as we will be finalising entries and the souvenir booklet in the coming weeks.

Early February we will be sending invoices for payment so make sure you are booked in. There is a booking link in the attached newsletter and I have also included it below. Our strong preference is for you to use the online booking link however if this is not an option for you please contact Bev Logan at bevlog@hotmail.com or (03) 59897344 to request a paper copy be posted.

Here is the booking link
