207 Narrows Rd Montville

Once we have better ideas of numbers, we will be able to confirm prices for morning teas and lunches.

We will also provide in the Run Goodie Bag a map of meal venues, op shops and super markets in the area.

In spare time there are many things to do and see around town: op shop shopping for the ladies and the new tram station and museum all walking distant from each other. Also all within walking distance there are many food and beverage options some are the RSL, Stalwart Brewery, pubs and cafes.
