**From Temora Airfield Tourist Park**

"Just 3km from Temora's town centre, the Airfield Tourist Park is situated only a stone's throw away from the world famous Aviation Museum. Spend hours losing yourself in an extensive collection of

warbird aircraft and the rich history that has been so beautifully preserved.

A lap around the nearby scenic Lake Centenary walking track will take your breath away while the kids can burn off energy in the water or the children's playground.

Back at your campsite, enjoy the green lawns and clean and tidy amenities, camp kitchen, that allow for a comfortable stay.

Soak up the beautiful sunsets Temora is well known for. If you choose to rest your head at Temora Airfield Tourist Park, we know you'll be glad you came."

**As at 1/2025**

**Q:** How much for powered site per night 2people?

**A:** Powered sites are \$40/night.

**Quite a few motels in town but probably can't handle the car trailers. The cars and trailers would need to be parked out on the street. Though they are VERY wide streets. You could always ask if they have space for trailers.**

**My cousin's farm is 25ks out of town, so too far to store trailers for us. They probably wouldn't have space as all the land surrounding the house are now paddocks.**
