

AOA INFORMATION 6 April 2026

Hi AOA Registrants

Following our recent email regarding the Go or No-Go decision here is an update for you all.

We held a club meeting on Saturday evening and discussed the AOA in detail.

Following the Federal and State government announcements regarding the reduced Excise Duty and GST tax, the recent changes to fuel prices for the next 3 months, and confirmation of supply advice, we have decided: "AOA Maryborough is all go for June."

President Kev and I with our wives are heading to Maryborough on Tuesday to finalise arrangements with the Council and Caterers and test the 2 runs.

Our registration and regalia ordering deadline remains April 30th. If friends are thinking about coming now is the time to decide and complete their registrations.

Refunds

A couple of registrants have already advised they wish to cancel but I hope recent changes to fuel prices and certainty will sway them back to coming. Refunds issued up to 30th April will be reduced by expenses already incurred by our club for purchasing items for the rally bag. You will receive your rally bag, which will be mailed to you less postage.

Please email your bank details if you wish to cancel before April 30.

This may change after April 30th.

Looking forward to seeing you all at AOA Maryborough

Cheers

Ken Parker

Secretary
